

HOME SAFETY CHECKLIST

1.

GET RELIABLE LOCKS

Install 1-inch deadbolt locks on all exterior doors and lock doors and windows when leaving your home at night.

2.

SECURE SLIDING DOORS

Burglar-proof your patio doors by setting a pipe or metal bar in the bottom track of the door slide.

3.

CLOSE GARAGE DOORS

Your garage offers direct access to your home. Be sure to close it after entering and exiting, and keep it closed while you're home.

4.

USE THE ALWAYS HOME ILLUSION

If you plan to be away for an extended period of time, leave a TV or stereo on as if someone is still home.

5.

DON'T HIDE SPARE KEYS

Don't leave extra keys in obvious outdoor locations. Share a spare with a neighbor or someone you trust instead.

6.

USE A SAFETY DEPOSIT BOX

When your valuables aren't in use, keep them in a safety deposit box to ensure they are out of a potential intruder's reach.
